Dear Rob -

When I began to gather
some information for you -
I found 5 or 6 cartons of
ACBL papers in the garage -
Dating from 1975 ^{and} ~~when~~ ^{prior}
District 22 was part of San Francisco
and Tom Duinlan was -
Editor, Publisher and
General Manager and Herb Smith
The District Rep - to Memphis -
(which was then in Connecticut) -

Am sure you don't need any
of this info -

The 2nd ^{two} box contained -
at least 2 plaques of recognition

" Outstanding Service on Board
of Directors presented 21ST
Day of November - 1996 " - and

" District 22, Area V Rep 1982-1987
Rep. National Board of Dir - 1988-1996
from District 22 - in Memphis

Here this is enough -
He spent yrs playing and
directing and taking care of
the finances at San Diego
Sectionals & Regionals - But
I'm sure the separation
from ^{the} District in San Francisco
and ^{forming of} the structure was one of
the highlights of his life -

Just skim this &
take out the garbage -
I do miss all of the
bridge friends we have
had - (and still do) - It
was such an important
part of Frank's life -
(and mine too)

Sincerely

Frank H. Sweeney, JR
